Software Engineer | Web Developer | Stormville, NY | (845) 200-5915 | [majanikoljic@gmail.com](mailto:majanikoljic@gmail.com) | [Linkedin](#) | [Github](#) | [Portfolio](#)

## SUMMARY

Creative and detail-oriented Software Engineer with a strong foundation in Computer Science and a passion for Frontend Web Development. Proficient in building responsive, user-friendly websites using HTML, CSS, JavaScript, React, and Node.js. Quick learner with a collaborative mindset and a talent for delivering clean, maintainable code. Excels at translating visual ideas into engaging digital experiences.

## SKILLS

### Programming Languages & Frameworks:

HTML, CSS, JavaScript, React.js, Redux, React Router, Node.js, MERN Stack, MongoDB, Express.js

### Tools & Technologies:

Git, GitHub, Visual Studio Code, PyCharm, API Integration, Netlify

## PROJECTS

### Maison de Café

- A visually appealing coffee shop landing page designed to showcase signature drinks and brand storytelling with smooth scrolling and interactive animations.
- **Tech:** React.js, Tailwind CSS, Framer Motion, GSAP, Git, Netlify

### Space Travel

- A full-stack app to manage spacecraft and interplanetary missions, including planet views, spacecraft inventory, and dispatch functionality.
- **Tech:** React.js, React Router, Node.js, Netlify, CSS Modules, Git

### Rating Website

- Allows users to rate items with stars, shows feedback alerts, and simulates data submission.
- **Tech:** React.js, JavaScript, HTML, CSS

### Star Destroyer

- Dynamic React app using `useEffect` and `useRef` to animate and remove interactive stars on a timed loop.
- **Tech:** React.js, JavaScript, CSS

## EXPERIENCE

### Software Engineering Trainee, Springboard | Remote

March 2025 – Present

- Completing 800+ hours of full-stack training in modern web development.
- Building frontend/backend projects using React and Node.js.
- Practicing API integration, deployment, and modern dev tools.

### Caregiver, Private | Brewster, NY

September 2022 – Present

- Maintained routines for multiple children.
- Build strong communication and multitasking skills.

## **Busgirl, Restaurant Worker | Carmel, NY**

*February 2019 – July 2022*

- Managed customer needs in a fast-paced dining environment.
- Strengthened teamwork and time management skills.

## **EDUCATION & CERTIFICATIONS**

### **Springboard | Online | Expected July 2025**

#### **Software Engineering Certificate**

- Intensive course in Software Engineering with 1:1 industry mentor oversight
- 800+ hours of hands-on, project-based training in full-stack development

### **Udemy | Online**

- [A Complete Python Bootcamp](#) - Completed 2023
- The Web Developer Bootcamp - Currently Enrolled

### **SUNY Westchester Community College | Valhalla, NY | 2022**

#### **Computer Science**

- Focus: Python, CSS

### **Western Connecticut State University | Danbury, CT | 2021**

#### **Computer Science**

- Focus: Python
